To whom it may concern,

While serving as a member of the Montague Economic and Development Industrial Corporation and Montague Finance Committee from 2010 to 2012, I looked favorably upon Montague Community Television's proposal to purchase, renovate and make use of the old Cumberland Farms building in Turners Falls.

At its July 2012 meeting, while I was President, the Montague EDIC voted in favor of selling the building to MCTV's ownership entity, MCCI.

As a past resident of the Montague community and as a current property owner, I hope that MCTV is given the opportunity to make use of the building, as they have demonstrated a care and interest for it that no other entity in town has shown to date.

I believe MCTV would be a good steward of the old Cumberland Farms building going forward.

Sincerely,
